AMBROSIAL OIL:

We do not assert a cure for every malaty to which
the human family are subject, but what we proclaim
we can substantinte by living witnesses. The Ambrodial Oil is a Nashville preparation, and sold throughout
the South and Southwest by all good draggists and
general dealers. The South may be justly proud that
Dr. Clark, a native Tennesseesan, after much labor and
research, has produced a really worthy medicine, which
is bound to drive out much of the worthless imported
trash with which the country is flooded.

Please call at our office, where we will take pleasure
in showing letters and testimonials too numerous to set
forth in the form of an advertisement, some of which
come from physicians in high standing, who are using
it in their practice, as they state, with marvalous effects. We challenge the world to produce a remedy so
